¹Border Police Directorate includes Border Department, Foreigners Department, Department for Suppression of Cross-border Criminal and Criminal-intelligence affairs, International Cooperation Department, and On-call center.

² As there are no inspectors in charge of migrant, the most similar function is performed by the Border Police Directorate Foreigners Department.

³ Including Suppression of Cross-border Criminal and Criminal-intelligence affairs, International Cooperation Department, and On-call center.

⁴ Labor Inspection operates within the Ministry of Labor, Employment, Veteran and Social Policy.

³ The database, in its current state and as operated by the Center for Protection of Human Trafficking Victims, does not allow the disaggregation of human trafficking victims by field police departments . This will be improved in 2014.
